About Us

Edu Dizayn Toys was founded in 2006 and has been continuing its production activities since its establishment. Edu Dizayn Toys has been exporting to 26 countries in 3 continents for 8 years. Edu Dizayn Toys continuously participates in the world's leading toy fairs and promotes its products to all world markets.

OUR CERTIFICATIONS

In 2006, we established our first brand ‘İnci Eğitim Araçları’ and started first step in the school furniture and wooden toys sector. In 2014, we added our ‘EduDizayn Toys’ brand to the infrastructure of our company with experience and references accumulated for 9 years. As of today, with 15 years of experience; we continue to design, research, develop and produce with all our excitement.

We are adapting to industrial changes in our changing and developing world in line with our R&D studies and targets. Believing that we have taken great distances in a short time, we continue to take professional steps with expert staff and high technological factory.

Today; we have reached the amount of export to 22 countries in 4 different continents. Every day; we work to exist in more countries, to be playmates for more children and to support their development.
